## **OSI Group Adds Kevin Cahill to its Leadership Team**

**Aurora, IL, USA, May 11, 2016** – OSI Group, LLC is pleased to announce that Kevin Cahill will be joining the company as Managing Director – Europe reporting to David G. McDonald, President and Chief Operating Officer.

In this role, Kevin will be based in the OSI Europe regional office located in Gersthofen, Germany. He will work closely with OSI's global and Europe leadership teams to further leverage OSI Group's expertise and resources and accelerate growth across the zone.

Phil Marsden, Managing Director, OSI Food Solutions; and Erik Schöttl, Managing Director, OSI Foodworks, will report to Kevin as they continue to lead the growth and success of their respective organizations.

Kevin has over twenty-four years of progressive experience with Kepak Group, a provider of a full range of meat proteins based in Ireland. He began his career at Kepak by learning the business from the ground up, working in a variety of key areas including both operations and sales. He was promoted to General Manager of a newly acquired facility where he led the transformation from a subsidized commodity business to a profitable value-added business. His success led him to the role of Business Unit Director, then Commercial Director of Kepak Meat Division, and, ultimately, to CEO of Kepak Meat Division. As CEO, Kevin was responsible for developing and delivering on business strategies for five business units consisting of eight manufacturing sites producing a variety of further processed meats including beef, lamb and pork.

Kevin holds a Bachelor of Commerce from University College Cork in Cork, Ireland.

### **About OSI**

For more than 60 years, OSI Group, LLC has been a global leader in supplying value-added protein items and other food products to leading foodservice and retail brands. It is a privately held corporation with more than 60 facilities in 16 countries. The company's global headquarters is located outside of Chicago in Aurora, Illinois, USA.
